

CLARA'S SMILES SAVED HER LIFE

Jurors Admit They Were
Influenced by Mrs.
Phillips' Nature

LOS ANGELES, Nov. 17.—Mrs. Clara Phillips was saved from the gallows by her smiles.

The men members of the jury which found her guilty of second degree murder for beating Mrs. Albert Meadows to death with a hammer were quoted today as admitting that had it not been for the defendant's smile she probably would have been convicted of first degree murder without a recommendation for clemency, thus making death the only penalty. They said that Mrs. Phillips seemed to study them, one at a time, and to flash frequent smiles.

And she had the most appealing smile I ever saw was the way one juror was quoted.

But the women jurors were not affected by it. It was said, as all three favored a verdict which would have sent Mrs. Phillips to the gallows, but compromised.

While the defense planned to ask a new trial next Monday, the time set for passing sentence, which may be any period of years from 10 to life, the state counsel said they had no comment to make on the verdict.

Mrs. Phillips was quoted as saying: "I don't know whether I killed Albert Meadows or not, but if I did, it was for mother love, for Armour E. Phillips, my husband, is my only baby, and when I realized he was being taken from me, I fought, and fought and fought."

The French Veterans association, with 300,000 members, has forwarded to the minister of foreign affairs a resolution demanding that all the money accruing from the publication in France of the former kaiser's memoirs should be set aside by the government and diverted to the French account for reparations.

Wheeler Criticizes Harding's Writings Regarding Dry Laws

WASHINGTON, Nov. 17.—If President Harding has been writing letters to people saying public sentiment is shifting around towards liberalization of the prohibition laws, he is all wrong, Wayne H. Wheeler, generalissimo of the Anti-Saloon league, said today.

"I do not believe," said Wheeler, "that the letter justifies the statements printed concerning it, because there is no evidence that public sentiment is shifting against prohibition."

"Ohio voted against 3.75 per cent beer by 188,000. The state legislature of Ohio is drier than ever, California voted for an enforcement law."

"The next flank movement of the opposition is to ask for a scientific commission to determine what is intoxicating liquor."

"Public sentiment today is stronger than ever for the Eighteenth amendment and the necessary legislation to enforce it."

PENALIZE RECKLESS DRIVER

San Francisco Man Must Give Half His Salary to Victim's Widow.

SAN FRANCISCO, Nov. 17.—John Swanson, 20, machinist, by an unusual dispensation of justice, will for a period of a year and three months, give half his monthly earnings to Mrs. James Holt for having run down and killed her husband with his automobile.

Superior Judge George H. Duck of Redwood City handed down the decision, providing in addition, that Swanson's automobile be sold by the sheriff, the proceeds to go to Holt's widow. The tragedy occurred September 23.

The city of Harrisburg, Pa., recently received a giant howitzer as a memorial to the war veterans, but because it has no history, it is to be returned to the government. Councilmen who have inspected the big gun are of the opinion that it has never been fired, except in a test.

STILL AFTER DAUGHTERTY

Impachment of Attorney General Woodruff in House Session.

WASHINGTON, Nov. 17.—Far from being "dead" the impeachment proceedings against Attorney General Harry M. Daugherty will be undertaken with renewed vigor when congress gets underway again Monday, it was announced here following a conference between Representative Roy G. Woodruff, republican, of Michigan, and Representative Oscar E. Keller, republican, of Minnesota, the two chief critics of the attorney-general in the house.

Woodruff and Keller were laying their plans today. Woodruff intends to press the proceedings from the angle that Daugherty has failed to bring war profiteers to justice, and has failed to recover thousands of dollars of which the government was defrauded during the war by bad contracts. Keller will press the attack on Daugherty from the Chicago injunction angle on the ground that the attorney-general exceeded his constitutional authority during the rail strike.

COMPLETE MONUMENT

A. D. C. Will Finish Memorial to Jefferson Davis—Would Revive Cotton Tax Bill.

BIRMINGHAM, Ala., Nov. 17.—The United Daughters of the Confederacy will complete the Jefferson Davis monument at Fairview, Ky., within the next year, if a report and recommendation of the Davis monument committee read today is adopted.

The committee recommended that pledges be taken from the floor, to raise \$30,000, the remainder necessary to complete the shaft. The obelisk is now 216 feet high and work has been stopped for lack of funds. When completed, the memorial will stand 351 feet high.

Efforts by the Daughters of the Confederacy to revive the cotton tax legislation introduced in congress in 1915, and the tipshaw bill for pensions for confederates, were launched in the report of the cotton tax committee, read by Mrs. Herbert M. Franklin, of Tennessee, Ga.

JUST DRAGGED SO WEAKENED

Florida Lady Was in a Miserable Condition, But Says She Found Cardui Helpful, and Got Well.

Altha, Fla.—In explaining how she found Cardui so helpful during change of life, Mrs. Ella M. Bailey, of R. F. D. 3, this place, said:

"I became so weakened it was an effort for me to get around. I knew what was the matter, but I felt like I couldn't give up."

"I just dragged, and I certainly was nervous. I was so restless I could not sit down long—yet so weak I couldn't get about. It is a most miserable and such a helpless feeling."

"I would get depressed and out of heart."

"I began to feel, after awhile there was no use to try to get well. This is all wrong for it makes a person worse."

"I had heard of Cardui and thought it might strengthen me. A neighbor had used it with good results."

"I took one bottle (of Cardui), then I saw I wasn't so nervous, so kept it up."

"Gradually the nervousness left me. I began to eat and sleep better. Was soon well, and all right."

"Cardui did wonders for me, and I certainly do recommend it."

Thousands of other women have written, to tell of the beneficial results obtained by taking Cardui, and to recommend it to others.

Cardui has stood the test of extensive use for more than forty years, in the treatment of troubles common to women.

Good druggists, everywhere, sell Cardui, the woman's tonic. Try it—Advertisement.
